# Swim Lessons

## Fall 2016

### For All Group Lessons

Children who are new to this program and five years and older require a swim test for registration. A swim test is also required for children who have been absent from the program for more than six months. If your child has been enrolled in a swim class within the last six months, please refer to the Aquatic Skill Card you received for the correct placement and mail the card in with your registration. Anyone unsure of the appropriate level should be tested.

**Children 6 Months to 5 Years Old**  
 The below classes do NOT require a swim test, but a parent (or adult) MUST accompany the child in the water!
