

We love volunteers!

Are you looking for an opportunity to work with children with special needs?

We welcome you to volunteer and join us in our Adaptive Aquatics program. This is a 7 week program with one day for training that will run for one hour on Saturday mornings. Through this experience you will not only be working with our highly trained staff but you will also gain knowledge in working with this population. You must be in 8th grade or older. Please respond if interested by December 16th. We will provide you with a letter of volunteer service upon completion of the session.
