

BMS receives "Good Neighbor Award" from North Brunswick!

Paul von Autenried, Senior Vice President and CIO at Bristol-Myers Squibb and Executive Sponsor to Bristol-Myers' disABILITY Network Alliance, along with members from dNA accepted the Good Neighbor Award from the North Brunswick Abilities Council. The disABILITY Network Alliance raises awareness, removes barriers and creates an environment of dignity, respect and inclusion in the workplace, according to the award. Paul said "We are very proud to support the North Brunswick Abilities Council's efforts ... and the inclusion of family, friends and neighbors."
