**SFY 2011
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

-A plan for all capital expenditures for the current fiscal year.
If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned on improvements.

CAPITAL IMPROVEMENT PROGRAM

-A multi-year list of planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- _____ years. (Exceeding minimum time period)
- Check if municipality is under 10,000 has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Fiscal Year 2011 Budget contains the outline plan for a major investment in the Township's infrastructure by committing significant annual funding for roadway improvements and improvements to our parks and playgrounds.

On a more routine note, our plan demonstrates an annual commitment toward replacing worn or obsolete equipment, including computer technology, upgrades to Public Safety communications systems, building renovations, and trucks/heavy equipment.

This Capital Program represents the Township's plan to spread these costs over a 6-year period, to minimize the cost impact on any one particular year.

**CAPITAL BUDGET (CURRENT YEAR ACTION)
