**Explanatory Statement - (Continued)**  
**Budget Message**

- The Mayor and Council have reviewed and authorized the introduction of the FY2016 Municipal Budget. It is compliant with the tax levy cap, as well as the budget appropriation cap, and is in keeping with the mutually agreed long-range goal of maintaining a high level of service to the taxpayers of the Township of North Brunswick while continuing a steady investment towards improving the efficiency of municipal operations. In addition, preserving our municipal infrastructure of parks and open space, streets, water, sewer, and stormwater systems is imperative to the present and future quality of life for the members of our community and is something this administration takes pride in.
- The Township administration has been actively working over the past several years to expand our ratable base along the Route 1 and Route 130 corridor. The net taxable value for the Township increased by \$4,900,205 from 2014 to 2015, the second increase in the ratable base since 2008. While the Township does not control County and School taxes, this projected growth in our ratable base will relieve some of the upward pressure on every component of the Township's property tax billing. For that reason, preserving and expanding the Township's net ratable base is, and will remain, a high priority in the coming years.  
  
For FY2016, total appropriations are .5% higher from FY2015. In the proposed appropriations for FY2016, we continue to see a beneficial impact of health and pension benefit reform. With both of these respective appropriations traditionally comprising the highest rate of increase annually, these costs are now slowing in their rate of increase. Nevertheless, the appropriations for health care still represent a major component of increased appropriation in this budget year and are projected to remain so into the future.
- The primary sources of revenue in the budget reflect modest, but predicted changes from the FY2015 budget. Compared to last year, this budget reflects a stabilization in local revenues with decreased current fund surplus, and an increase in "payment in lieu of taxes" PILOT revenues from the NJEDA Tech Center properties. The Budget anticipates the same amount of State Aid, and a 2% increase in the municipal tax levy.
- The Township currently has Shared Services relationships with the City of New Brunswick, the Borough of Spotswood, the North Brunswick School District and Library. The Township continues to seek new shared service arrangements with other municipalities whenever it sees the opportunity to reduce costs and/or improve overall efficiency.

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

-A plan for all capital expenditures for the current fiscal year.  
If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned on improvements.

**CAPITAL IMPROVEMENT PROGRAM**

-A multi-year list of planned capital projects, including the current year.  
Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- \_\_\_\_\_ years. (Exceeding minimum time period)
- Check if municipality is under 10,000 has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

## NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Fiscal Year 2016 Budget contains the outline plan for a major investment in the Township's infrastructure by committing significant annual funding for roadway improvements and improvements to our parks and playgrounds.

On a more routine note, our plan demonstrates an annual commitment toward replacing worn or obsolete equipment, including computer technology, upgrades to Public Safety communications systems, building renovations, and trucks/heavy equipment.

This Capital Program represents the Township's plan to spread these costs over a 6-year period, to minimize the cost impact on any one particular year.
