Moderate income is between 80 and 50 percent of the median income. Low income is 50 percent or less of median income. Very low income is 30 percent or less of median income.

* These columns are for calculating the pricing for one, two and three bedroom sale and rental units as per N.J.A.C. 5:80-26.4(a).

** This column is used for calculating the pricing for resale and rent increases for units as per N.J.A.C. 5:97-9.3. However, low income tax credit developments may increase based on the low income tax credit regulations. Landlords who did not increase rent in 2012 may increase rent by the combined 2012 and 2013 increase, or 3 percent.

*** The Regional Asset Limit is used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)3.

Since the COAH Regional Income Limits for 2012 were higher than 2013 figures, the 2012 income limits, shown above, will remain in force for 2013 and until Regional Income Limits surpass the 2012 Regional Income Limits.
