

Milling and Paving of Raider Road/Roosevelt Avenue Intersection, September 14 and 15

Motorists are urged to avoid Raider Road during the daylight hours on Monday, September 14 and Tuesday, September 15 as the intersection of Roosevelt Avenue and Raider Road will be milled and paved while schools are closed on these days.

To avoid interfering with paving activities at this intersection, the dump trucks and other vehicles which are working to improve Veterans Park will be required to use Halsey Road for these two days.

If there are any changes to the road work, please check the Township of North Brunswick's website (www.northbrunswicknj.gov) for additional updates or subscribe at the Township's website for e-mail, text and Nixle notifications.
