These courses are approved by the NJ Department of Health.

Change of Ownership:

- If you wish to sell your business or take over a business and change ownership you WILL NOT be "grand-fathered" by any older laws. Your business will be subject to inspections by the Fire Marshall's Office and the Health Inspector before you can operate under new ownership. These inspections may require you to undergo construction and/or make changes to the kitchen or prep areas not limited to changing sinks, adding sinks, upgrading ventilation, grease traps, etc.
- All changes will be required to be reviewed by the Construction Department and the Health Inspector and may or may not require permits and inspections.
- You may start this process with an Application for Zoning and Occupancy from the Fire Marshall's Office.

Construction:

- As mentioned above in change of ownership any construction and/or changes to layout, removal of equipment, changes to plumbing, etc must be approved by the Health Inspector and/or Construction Official. Plans may be required to be submitted depending on the scope of work. Permits may also be required. You may contact the Building Regulations Department at **x450**.

New Establishments:

- Any new establishment should have a walkthrough inspection conducted by the Health Inspector if a kitchen is existing so that it may be established any changed that must be made.
- Any new construction must have plans submitted to the Building Regulations Department with applicable permits and fees. Plans must be reviewed by the Construction Official, Plumbing Official, and the Health Inspector. Per NJ Laws officials have 30 days to complete a Plan Review.

License Renewal:

- All licenses expire July 31st of the calendar year. Licenses must be renewed by the date of expiration. Any license not renewed by September 1st of the Calendar year or penalties will apply. Any license application missing information or the Food Safety Certificate will be denied by the Health Inspector and/or the Zoning Officer.
- **At the discretion of the Township of North Brunswick your license may be revoked or not renewed if found in violation of any provisions of the Licensing Chapter, Building or Health Codes.**
