

Chess for Kids

Children, ages 6 and up, beginners and advancing beginners; learn the basics or improve your game! During the session students will learn the history of chess, tactics and strategy of the game, analyze instructive games and improve decision making skills. You 'll be taught by the best! **Alexander Braylovskiy, U.S. —certified chess coach**, is a championship player who has been a professional chess instructor and has 40 years of experience. His students have accumulated a number of prestigious titles.
