

CERTIFICATION OF NO CHANGE IN EXISTING GRADES

This certification is subject to Chapter 205-138(C) "Grading Permit"

I, _____,

hereby certify that the proposed project will not alter the existing grades on my property, and that the overland flow of surface water shall continue in the existing manner. In addition, no existing swale will be blocked or impeded in any way.

I also understand that altering existing grades or surface flow shall constitute a violation which will result in enforcement action by the township pursuant to Article XXXV, Section 205-138(C) of the municipal code.
