# Explanatory Statement - (Continued) Budget Message

- Overview: Beginning preparation of the FY2018 Budget has been again been comparatively straightforward with an on-going consensus from the Mayor and Council to suppress any increases in appropriations, while trying to maximize revenues within each department. The FY2018 Budget As Introduced is in compliance with the State's Levy Cap and Budget Appropriation Cap, which contemplates consideration of a COLA Ordinance. The budget anticipates a 2017 calendar tax levy of \$30,600,000, which breaks down to the following: a \$45.63 annual increase in 2017 on the average assessed home, currently \$157,346.00, a 2.49% rate increase and a 2.9 cent increase in the tax levy from the 2016 calendar year.
- Surplus: The available Fund Balance at year-end has declined from a high of \$14,007,060 in 2007 to a balance of \$7,912,257 going into Fiscal Year 2018. We are now at a period when the anticipated fund balance has not only stabilized, but has seen an increase in the past few years due to some positive year-end revenues and construction activity within the Township. The Township has exceeded its goal of maintaining a fund balance of greater than 10% balance of general appropriations at the end of each year (Pursuant to the Financial Management Policy authorized under Resolution 324-12.16). The long range expectation is to reduce the use of surplus, down to a range between \$2,000,000 to \$3,000,000 each year as an anticipated source of revenue.
- Appropriations: The total appropriations, excluding grants, for FY2018 are \$1,938,060 higher than FY2017. Main drivers of the increase include the following: a \$666,657 increase in Salary and Wage, a \$167,182 increase in Debt Service, a \$254,922 increase in Pension Liability, a \$440,000 increase for a new Shared Services Agreement with the Board of Education for Class III Specials, and cancellation of \$300,000 from FY2017 Appropriations. Outside these obligations, the remaining line items reflect modest changes in our continuing effort to control spending to meet the decline in revenues. In the proposed appropriations for FY2018, we continue to see a beneficial impact of health benefit reform. With this respective appropriation traditionally comprising the highest rate of increase annually, this cost is now slowing in the rate of an annual increase, with employees contributing \$1,069,288 in FY2017. Nevertheless, the appropriation for health care still represents a major component of appropriation in this budget year at \$5,415,330 and is projected to remain a topic of discussion into the future. Secondly, while the Pension costs are now below 10% annually, these costs will still be above, and exempt from, the 2% Levy Cap, making it unrealistic for any municipality to keep tax rate increases below 2% annually, without exhausting Surplus and creating a larger liability and rate increase for future taxpayers.
- **Workforce:** Investing in ways to make the municipal operation more efficient is also important as we look to the future workforce. The current full-time budgeted workforce is 209, a decrease of 1 full-time position from FY2017. The future budget trends an overall reduction in the workforce and stabilizes between 200-205 full-time positions, with numbers restructured among the various departments. To achieve this, in addition to software enhancements, we have encouraged training in cases where a certification or license enhances the operation of a department. The return on the Township's investment will come when workforce members retire, as anticipated over the next few fiscal years. While their positions may be filled by eligible, experienced and trained members, backfilling the vacated position will be evaluated on a case-by-case basis and eliminated if it is in the best interest of the taxpayer.
- Shared Services Agreements: The Township currently has Shared Services relationships with the City of New Brunswick, the Borough of Spotswood, the North Brunswick School District and the Library. Going into FY2018 the Township has entered into a new shared service agreement with the North Brunswick School District for the Township to provide Class III Officers to the schools.

# NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Fiscal Year 2018 Budget contains the outline plan for a major investment in the Township's infrastructure by committing significant annual funding for roadway improvements and improvements to our parks and playgrounds.

On a more routine note, our plan demonstrates an annual commitment toward replacing worn or obsolete equipment, including computer technology, upgrades to Public Safety communications systems, building renovations, and trucks/heavy equipment.

This Capital Program represents the Township's plan to spread these costs over a 6-year period, to minimize the cost impact on any one particular year.
