**Re: Township of North Brunswick
WTP Raw Water Intake Screens
Contract No. 19-009
Our File No.: PNO-00453.02**

Dear Mayor and Township Council:

The Raw Water Intake Screen Project has been satisfactorily completed by the Contractor, Allied Construction Group, Inc. and we are pleased to inform you that the final construction cost is under the original Contract amount for the project.

Accordingly, please find enclosed a completed Voucher and Closeout Change Order and Final Payment Estimate No. 5 for work performed from December 1, 2019 through January 31, 2020.

Please note the Closeout Change Order reflects reductions and increases in Contract quantities and Supplemental work and reduces the Contract amount from \$589,700.00 to \$536,444.65 for a net overall reduction of \$53,255.35.

The supplementary work described herein could not, in our opinion, have reasonably been effectuated by a separately bid contract without unduly disrupting the basic work and imposing adverse cost consequences on the Township and provides an improved level of service to the residents of the Township.

Accordingly, we recommend final acceptance of the work, approval of Closeout Change Order and Final Payment Estimate No. 5 and payment to the Contractor in the amount of \$30,292.19, subject to the submission of the required Maintenance Guarantee and review and approval by the Township Attorney of the attached Closeout Change Order and Final Payment Estimate No. 5.
