Return Application To: Municipal Clerk's Office 710 Hermann Road North Brunswick, NJ 08902	License Number:

Call Building Department to schedule inspection: 732-297-0922 ext. 450

All Applicants:

Registered Owner:

- By signing your name to the application you certify your responsibilities as an owner of a Retail Food Establishment. Therefore, any enforcement required but not limited to Summonses for Municipal Court, Fines, and/or Injunctions will be written to you as the owner. Any discrepancies and/or issues regarding ownership or legal matters are at the discretion of the court to make applicable changes.

Inspections:

- Each Pool is subject to inspections by both the Health Department and Electrical Inspector. Bonding and Grounding should be completed once every 5 years and Re-Obtained if any work is done to the motor, framing or grounding equipment. It is up to each facility to schedule the annual electrical inspection.

Emergency Occurrences:

- It is up to the facility to notify the proper authorities, Health Department, and/or the Building Department of any serious accidents or injuries, major malfunctions, loss of power, loss of potable water, etc. Failure to do so may result in fines and or penalties per pursuant State and Local Codes.

Pool Maintenance (No Bruns 427-3:

- A. All swimming pools shall be maintained in good working order and in a safe and sanitary condition at all times. The area surrounding the pool and its enclosure shall be kept neat and in good order and attractive so as to be in conformity with surrounding properties. No rubbish, debris or litter of any kind shall be permitted at any time.
- B. Pools shall not be left in disrepair or unmaintained to provide for stagnant conditions defined as water that is murky or unclear, providing for plant growth or mosquito breeding, or causing a foul odor.
- C. All swimming pools shall be provided with proper covering when not in use in order to prevent the breeding of mosquitoes. A proper covering shall refer to a permanent cover that shall properly fit the pool and not a tarp (tarpaulin) or other loosely fitted covering that is inadequately fitted and deteriorates with weather conditions. Covers shall also not allow for the pooling of water or rain water on the top. Covering frames may be utilized if they:
 - (1) Prevent the pooling of water; and
 - (2) Are constructed safely and adequately to prevent injury or harm.
- D. Aboveground permanent pools.
 - (1) Aboveground permanent pools may also be drained if not in use. Draining may only occur when no water quality chemicals are present in the water. Aboveground permanent pools that are drained must be removed or dismantled, or covered in a manner as to not provide for pooling water or mosquito breeding conditions. Those pools that are drained must also be maintained as to protect from and prevent bodily injury or harm and must be enclosed or protected as per the provisions of this chapter.
 - (2) As such, the definition of "not in use" shall not refer to or include preparations for use where chemicals or treatment methods are being applied to water to provide for recreational bathing as such methods are not conducive to mosquito breeding.
- E. Owners may elect to permanently fill underground pools with sediment or soils approved by the Township of North Brunswick in a manner so as not to cause environmental pollution or harm.

License Renewal:

- All licenses expire May 1st of the calendar year. Licenses must be renewed by the date of expiration. Any license not renewed by September 1st of the Calendar year or penalties will apply.
- **At the discretion of the Township of North Brunswick your license may be revoked or not renewed if found in violation of any provisions of the Licensing Chapter, Building or Health Codes.**

I understand the above mentioned information provided to me and all applicable regulations as provided by the Township of North Brunswick and the State of New Jersey. I understand that the above listed information are guidelines and I may be subject to further applicable local and state regulations.
