TEMPORARY WATER SUPPLY SHUT-OFF NOTICE FOR NASSAU STREET BETWEEN GEORGES ROAD AND REMSEN AVENUE

November 23, 2021

Dear Nassau Street Resident:

We are continuing to try and identify the source of surface water along Nassau Street at various locations. We have previously undertaken a variety of measures which have proven unsuccessful.

Accordingly, our investigation requires that we temporarily shut off the water supply system.

On Wednesday, December 1, 2021, the water to your home and business on Nassau Street, between Georges Road and Remsen Avenue, will be temporarily shut off for approximately six (6) hours between 9:00 am and 3:00 pm.

We regret the inconvenience and encourage you to please plan ahead in anticipation of the interruption to your bathroom, kitchen, and laundry facilities.

You may want to collect water in containers for limited use throughout the day.

This letter will be supplemented with a hand-delivered notice.

We appreciate your patience as we make every effort to identify the source of this problem and develop a remediation plan.

Thank you.
