Dear Ms. Minniear:

We welcome the opportunity to work with you and submit our Recreation and Open Space Inventory (ROSI), which has been substantially revised and amended.

- Our entire inventory of properties is identified as “Lands Held in Fee Simple for Recreation and Conservation Purposes.” (Previous submissions improperly cited different categories.)
- Our inventory has been divided into seven (7) categories, which are all newly ordered by block and lot:
 - PARKS AND PLAYGROUND (ACTIVE) AND ASSOCIATED WOODLANDS
 - COMMUNITY PARK CONSERVATION AREA
 - FARRINGTON LAKE OPEN SPACE AND CONSERVATION AREA
 - HIDDEN LAKE OPEN SPACE AND CONSERVATION AREA
 - LUKE PARK OPEN SPACE AND CONSERVATION AREA
 - PULDA AND SKARITKA FARMS
 - MISC. BLOCK AND LOTS
- We have added three (3) parcels that have been acquired since our last submission dated December 31, 2018.

- We have identified and added 12 previously acquired lots to the Hidden Lake Open Space and Conservation Area.
- We have made five (5) corrections to Green Acres Encumbered Acres totals, including a substantial correction associated with Block 4 Lot 14 in the Luke Park Open Space and Conservation Area.

We value our continued partnership with your office and look forward to working with you in support of the preservation of recreation and open spaces.

Sincerely,

Michael C. Hritz
Director of Community Development
