

**Resolution Opposing the Proposed Increases to
the State Health Benefits Program**

WHEREAS, the State Health Benefits Program (SHBP), governed by N.J.S.A. 52:14-17.25 et seq., offers medical, prescription drug, and dental coverage to qualified State and participating local government public employees, retirees, and eligible dependents; and

WHEREAS, all SHBP plans are self-funded meaning that the money paid out for benefits comes directly from a SHBP fund supplied by the State, participating local employers, and member premiums; and

WHEREAS, the Division of Pensions and Benefits is responsible for the daily administrative activities of the SHBP, the State Health Benefits Commission is the executive organization responsible for overseeing the SHBP; and

WHEREAS, the State Health Benefits Commission, comprised of state officials and union representatives, annually consider the calendar year premium levels for the Local Government Employer Group of the SHBP based on recommendations found in the Rate Setting Recommendation Analysis of the Local Government Employee Group; and

WHEREAS, the preliminary rate increase for the 2023 Local Government Employer Group is 22.8%, which includes a 21.6% increase for Active, a 13% increase in Early Retiree, and a 0.7% increase for Medicare Retiree; and

WHEREAS, subsequent news accounts has Department of Treasury noting "rates for active members and early retirees would likely be increase between 12-20% across the various plans for the upcoming year"; and

WHEREAS, such proposed exorbitant rate increases will fall upon the local property taxpayer along with the local public employees at a time where there is record inflation; and

WHEREAS, the proposed premium increase for most active employees will take thousands more out of their paychecks annually and lead to huge costs for local governments that will translate into higher property tax bills for struggling families; and

NOW, THEREFORE, BE IT RESOLVED, by the governing body of the Township of North Brunswick in the county of Middlesex call up the State Health Benefit Commission to reconsider the rate increase and strike a rate increase that is appropriate in the current economic conditions; and

BE IT FURTHER RESOVLED, that the governing body of the Township of North Brunswick in the county of Middlesex urge the legislature to adopt legislation expanding the composition of the State Health Benefits Commission to include representatives from both municipal and county government management; and

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to Governor Murphy, State Treasurer Muoio, Senate President Scutari, Assembly Speaker Coughlin, Senator Bob Smith, Assemblyman Joseph Egan, Assemblyman Joseph Danielson, and New Jersey State League of Municipalities.

I do hereby certify that the foregoing is a true copy of a Resolution passed by the Township Council of the Township of North Brunswick at a meeting duly held on the 19th day of September, 2022.
