RE: Wetland Site Inspection  
Block: 143.03, Lot: 3  
630 Dewey Road  
North Brunswick Township  
Middlesex County, NJ  
E22-022

Dear Ms. Venus,

Per your request, Amertech Environmental Consultants Inc. conducted a wetland site inspection on the above referenced property.

As discussed at our site meeting, based on a visual inspection the referenced property does not appear to have any wetlands.

As always, for an accurate determination a Letter of Interpretation (LOI) which includes a review by New Jersey Department of Environmental Protection (NJDEP) is strongly recommended.

Should you have any questions, please feel free to contact our office.

Very truly yours,

*Kathy Goudarzi*
