The New Jersey Department of Law and Public Safety is pleased to announce that your agency will receive \$4,958.53 under the State Fiscal Year 2022 State Body Armor Replacement Fund (BARF) Program. An electronic transfer of funds or an award check has been sent directly to your agency's Chief Financial Officer.

The State BARF Program assists all eligible law enforcement agencies to offset the costs of purchasing body vests for their officers. Although this is a five-year vest replacement program, program regulations encourage agencies to make every reasonable effort to expend their awards within one year of receipt.

By applying for the 2022 Body Armor Replacement Fund Grant, you have agreed to the Terms and Conditions found on the website <https://www.nj.gov/oag/body-armor/>. These Terms and Conditions will apply to future years of funding as well so please make sure you have a copy of them in your file.

In order to participate in the 2022 BARF Program, agencies are required to confirm that they have a written mandatory body armor wear policy for all uniformed officers engaged in patrol or field operations. Your agency is in compliance with having a policy and therefore is eligible to receive a 2022 BARF award.

All future State BARF program correspondence, such as application periods, award announcements, and award confirmations will be sent via e-mail. Failure to maintain updated contact information in the State BARF system may result in your agency not receiving important State BARF messages. If you have any questions regarding the program, please call the Body Armor Replacement Fund's designated telephone line at (609) 376-2446.
