Good Morning,

It has come to my attention that Graceland Gardens is now eligible to receive some of the monies that were collected by the Township of North Brunswick for construction. Graceland Gardens did receive the Certificate of Occupancy on 9/23/22, by the township. After two years of building during the Covid 19 pandemic, the business sure could use the proceeds.

Please review and advise when the monies maybe released.
As always, if there are any questions contact me directly at my cell 732-789-5618.

Sincerely,

**Graceland
Gardens**
