Overall Landscaping Acceptance

Please be advised that on November 4, 2022, our department performed a site visit to evaluate the installed landscape material for compliance with this project's approvals and for the purpose of bond release.

Please be advised at this time all proposed landscaping for this project site has been installed and is considered **acceptable**. Should a significant time period (4 weeks) elapse between the issuance of this acceptance and the release of bonds, our office reserves the right to perform a re-inspection prior to bond release.

Should you have any questions or require additional information, please contact this office.
