

COMMUNITY DEVELOPMENT STAFF RECOGNITION
APRIL 2023

E-mails and posts received in recent weeks and months:

Community Development staff email:

Closed on my sister's home today and all went well. I just want to thank you and the others in your office for all of your help, understanding, and most of all, patience with me trying to figure out all the things I needed to do as executor. Between Covid and the flood in your building I know there have been some real challenges on your end. To be in that situation and still maintain a great attitude and patience while taking care of business is a credit to you all. Thanks again for everything. Andrew Siroki

Frank Russo email:

Hello Frank, Regarding complaints made from yesterday on 1281 Finnegans Lane, North Brunswick, NJ. Thank you for being polite, and professionally explaining all complaints and solutions. I was away from my house, and was unaware of the complaints made until your visit. Regards, Syed

Garry Aumack and Rich Krug FB post:

Nicest North Brunswick Township guys came to inspect our new furnace and electricity. Polite, pleasant and fast. Also some interesting conversation. Both professional and very smart. Thank you to both. MGC 50-year resident

I wanted to reach out to you today to thank all parties involved in resolving this issue for me. I came home from work to find that not only did PSE&G come to look at my lawn but they laid down topsoil and seeded too. Amazing job and response time.
