PROJECT MANAGEMENT AND CONSULTING SERVICES RELATING TO THE REMEDIATION AND RESTORATION OF THE MUNICIPAL COMPLEX BUILDING

MAY 8, 2023

On February 6, 2023 the Township Council passed a resolution #075-2.23 authorizing the advertisement for the receipt of proposals for Project Management and Consulting Services for the restoration and remediation of the Municipal Complex through a competitive contracting process. This process allows for factors other than price to be taken into consideration when awarding a contract. This process also requires that a committee be established to evaluate proposals in accordance with “weighted” criteria established prior to solicitation of proposals.

Pursuant to N.J.A.C 5:34-4.3, the Township established a three (3) person committee comprised of the following individuals:

Ralph Andrews, Council Member
Justine Progebin, Business Administrator
Joseph Battaglia, Police Chief
William Lovas III, Police Lieutenant

Each committee member assessed their own affiliations and financial interest, as well as the affiliations and financial interests of family members, to ensure that there was no conflict with potential vendors. Each member signed a statement attesting to the fact that there was no conflict of interest.

The committee individually reviewed the Request for Proposal. The committee agreed to the criteria to be evaluated and the numerical weighting to be assigned to each. The established weighting criterion was as follows:

Respondent's understanding of the scope of work and related objectives	25
Experience and Qualifications of Individual(s) or Team identified to provide service	30
Respondent's overall company history and experience with similar services requested	15
Vendor's pricing proposal	30

Competitive contracting proposals were solicited. The following two (2) proposals were received by the submission deadline:

M&M Construction Company, Inc.
33 Commerce Drive
Cranford, NJ 07016

Meridian Strategic Services, Inc.
PO Box 158
