Michael Hritz,

Gary Oliva from CME said everything has been addressed and completed. Gary also advised me to provide a written request to you to have the bond released for 6 16th Street Lot 17.02 and 8 16th Street Lot 17.01.

Thank you in advance for your cooperation to expedite the bond release. Please let me know if I can pick up the check when it is ready to avoid it getting lost or delayed in the mail.

If you can prepare a letter now stating that everything has been completed and the bond has been released, I would greatly appreciate it. I need your letter to get my outside bond released too.

Regards,
Bill Simcox
