For example: If an employee retires December 31st and, based on years of service, is entitled to 16 days a year. Under a scenario where 20 days of time are to be paid out; 4 days shall be at the prior year's rate of pay and 16 days shall be at the current rate of pay.
2. The vacation period shall begin on January 1st of each calendar year. Unused vacation leave earned in one calendar year may only be carried to the end of the next succeeding year, at which time such unused leave will be forfeited.
3. Vacation shall be scheduled around work responsibilities. Each member must submit a written request for two or more consecutive vacation days at least 3 days in advance of the requested vacation to their Department head or designee. Department heads shall act reasonably in response to vacation requests but may deny requests if work conditions necessitate the member's presence at work.
4. In the calendar year that a member separates employment with the Township through resignation, termination, retirement, or other cause, the member shall be paid for unused vacation accumulated from the prior calendar year plus their prorated leave accumulated in the current calendar year as of the date of separation. The dollar value of any vacation leave taken prior to the date of separation which is in excess of the accumulated and prorated leave, shall be deducted from the employee's final compensation.
