RE: (Buyer's name FROM Seller's name)
(Property Address)

Dear Mr. Paun:

Please be advised that I represent the buyer(s), _____, for the purchase of the above referenced property.

The seller's, _____, is/are unwilling to apply and satisfy the Continued Certificate of Occupancy (CCO) as required by the municipality for closing on the sale of the home.

Therefore, the buyer(s), _____, is/are accepting responsibility to apply for and secure the CCO.

The buyer is accepting responsibility for compliance with all codes and ordinances including obtaining all applicable construction permits and approvals pursuant to municipal requirements and the Uniform Construction Code (UCC). Making repairs and bringing to compliance outstanding permits and inspection failures is the only work that may be done prior to the issuance of the CCO. Other than minor work, if my client is renovating the property, it is understood that the home cannot be occupied until the issuance of a CCO.

Accordingly, we request that the township grant a waiver for the requirement of a CCO prior to closing to provide additional time to correct outstanding code issues.
