Introduction

The Arts Institute of Middlesex County (AIMC) is committed to the vision that all residents of Middlesex County can access and participate in the arts, history, folklife and culture that enrich their lives. One of the many ways it advances and revitalizes this mission is by developing and funding art, history, folklife and cultural programs that serve the residents of Middlesex County. By working in conjunction with municipalities and local nonprofit art and history organizations, AIMC delivers quality programming to the residents of Middlesex County.

Funding for these grants is made possible by the Middlesex County Board of County Commissioners. Middlesex County funding partners are the New Jersey Department of State - New Jersey Historical Commission and the New Jersey State Council on the Arts.

These guidelines are for General Operating Support Grants and Program Support I & II Grants. Middlesex County also offers Historic Preservation Grants and Capital Grants.
