ESCROW FUNDS AGREEMENT:

The Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.) authorizes the collection of Technical Review Escrow Fees to cover the costs incurred by the Township for professional services involved in the review of land use development applications. Subsection 205-139 of the North Brunswick Township Land Use Ordinance establishes the amount of Technical Review Escrow Fees and the procedures for collecting and replenishing same. I hereby acknowledge and agree to the following: 1) I am responsible for the cost of all reasonable professional services rendered to the Planning Board or Board of Adjustment during the review and processing of my development application. 2) If I receive a written Deficiency Notice from the Chief Financial Officer or his/her designee (CFO) that the balance of funds remaining in the account is insufficient to cover invoices, vouchers or bills submitted to the Township for services which have already been performed, no further consideration, review or processing of the application will be permitted until such time as the funds requested in the Deficiency Notice have been deposited, and this cessation of work could result in carrying my application to the next regularly scheduled public meeting of the designated land use agency. 3) Failure to deposit the amount requested in the Deficiency Notice within ten days of receipt shall toll the period for action by the Planning Board or Board of Adjustment as stipulated in N.J.S.A. 40:55D-1 et seq., and shall bar me from seeking a default approval under N.J.S.A. 40:55D-10.4. 4) Failure to post funds requested in the Deficiency Notice within 45 days shall be grounds for dismissal of my application without prejudice, and I acknowledge that failure to pay the shortfall shall result in the shortfall being deemed a lien on the property which is subject of the land development application. 5) In the event that my application is approved and a Deficiency Notice is received after the approval is memorialized, failure to pay the shortfall amount shall be grounds for voiding the approval. 6) In the event that my application is denied and a Deficiency Notice is received after the denial is memorialized, I am still obligated to pay any shortfall amount, and I acknowledge that failure to pay the shortfall shall result in the shortfall being deemed a lien on the property which is subject of the land development application.
