

Resolution Authorizing the Approval to Submit a Grant Application and Execute a Grant Agreement with the New Jersey Cybersecurity & Communications Integration Cell for Their 2025 NJ State and Local Cybersecurity Grant Program

WHEREAS, the Township of North Brunswick's IT Department and Managed Services Provider agree that cybersecurity is of the utmost importance and are consistently seeking out opportunities to manage and reduce cyber risk; and

WHEREAS, the New Jersey Cybersecurity & Communications Integration Cell (NJCCIC) has established their NJ State and Local Cybersecurity Grant Program (SLCGP) to assist local government entities with developing, implementing, and revising cybersecurity plans; and

WHEREAS, the grant program includes funding for two cybersecurity enhancement initiatives which the Township would like to take advantage of – Advance Endpoint Protection and Multi-Factor Authentication Hardware Tokens; and

NOW, THEREFORE, BE IT RESOLVED, that the Township Council of the Township of North Brunswick formally approves the grant application to NJCCIC for the above stated goals.

BE IT FURTHER RESOLVED, that the Mayor and Township Administrator are hereby authorized to submit an electronic grant application to the NJCCIC and that their signatures constitute acceptance of the terms and conditions of the grant agreement and approves the execution of a grant agreement, if selected.
