

The North Brunswick Domestic Violence Response Team along with PBA 160

is hosting a **CLEAN START 2025** Supply Drive for Survivors of Domestic Violence and their children currently housed in permanent, affordable, safe housing.

As we kick off a new year, we're reaching out for your help to restock essential items for these residents. They are currently in need of both cleaning and personal products. We will be accepting donations of shampoo/conditioner, body and hand soap, feminine products, loofahs, laundry detergent, paper towels, toilet paper, dish soap, and other cleaning supplies to maintain a welcoming and safe environment.

Donations of cash are all accepted as they have a private Amazon wish list which we are able to purchase from.

You may drop off donations in the Police Records department at 710 Hermann Road or the Finance department in the annex building on Renaissance Blvd.

Collections will run until 2/14

Your generous donations make a tangible difference in the lives of survivors rebuilding their futures and goes a long way in creating a safe and welcoming home for these residents.

Thank you

Marrissa Heyman
