

Recycling Updates

Summer 2025

- Each residence, that is currently collected curbside, will receive a 95-gallon wheeled cart, with lid before August 2025 (except Society Hill).
 - Each cart has a serial number/barcode linked to your address.
- ASL (Automated Side Load) service is currently scheduled to start on August 1st. Continue to follow your schedule.
- All recycling material must be placed inside the cart. Anything outside the cart will **not** be collected.

You must continue to use your current container for the months of June & July. Any recycling material put in the wheeled cart will not be collected.
