

## LOCAL ETHICS BOARDS

The local governments listed below have advised the Local Finance Board that they have created a local ethics board. If the local board has promulgated a code which is identical to the code contained in the statute, N.J.S.A. 40A:9-22.5, they do not need the approval of the Local Finance Board. Those indicated by an asterisk have local boards which are operating with a code deemed approved by the Local Finance Board.
